***A True Hunting System.
The Choice Is Yours!***

Ground Blind

5' Stand

10' Stand

THE DEER TOWER™ Hunting Blind System

CHOICE & FLEXIBILITY - Use it as a ground blind. Or add the 5' stand. Or choose the 10' stand to gain maximum elevation, enhanced viewing and concealment.

COMPLETE PACKAGE - Standard 4' x 4' model comes with pre-cut double wall extruded plastic housing panels and plywood deck. Slip-Fit frame components, coupled with compact packaging, make it easy to haul to any hunting site for quick assembly.

- Heavy-duty 2" x 2" 15 GA structural steel tower legs
- Integrated shooting rails
- Hinged drop-down windows
- Corner shelves
- Oversized door with latch
- All-welded offset ladder with easy-to-climb rung spacing
- Anchoring system
- Covered portholes for stand-up viewing
- 6'5" interior headroom
